## **VESTRY VIEWS**

Recently, I took a nice long two-hour hike at Irondequoit Bay Park West and noticed all the new fresh green leaves, ferns and flowers blooming all over the area. It was early in the morning and the bay was calm and quiet. No boats were running and the view was so peaceful.

Spring brings newness, change, blooming flowers, graduations (Jessica graduated with a Bachelor of Science at LeMoyne College) and plans for the summer months. We are planting our Epiphany Garden and I would like to say "Thank You" to those that took care of our Memorial Garden, it looks beautiful. Church School attendance is up, the soft space for children in the back of the church is a great success, every Sunday we have new visitors attending. Change is happening here at Epiphany.

I recently attended the Niagara wine tour with 21 Epiphany members and friends. It was so much fun and the lunch at Tillman's was delicious. The best part of the wine tour was the fellowship. We all learned something new about each other. We have lots of activities to take advantage of and I hope that you consider participating.

The work that we are doing here at Epiphany is making a difference to the parish. There are many new people attending church and events. To those who are new I would like to say, "Welcome to Epiphany we are so happy to have you join us!" Please enjoy our service, ask questions of anyone wearing a name tag and join us for coffee hour down in the fellowship hall. We are all a friendly bunch and would like to get to know you.

Bishop Prince Singh will be with us on Sunday, June 9<sup>th</sup> as part of his annual visitation and to confirm our Confirmands. Our youth will take an important step in their faith journey and within the life of the parish as they make their Confirmation. They will make a mature and public reaffirmation of their faith reaffirming the promises made for them at the time of their baptism for themselves, and we, the congregation, will promise to do all in our power to support each of them in their life in Christ as they go out into the world to serve with love.

Also, Bishop Singh is starting a new initiative, his, Annual Bishop's Appeal. The Bishop's Appeal will now be part of his annual visitation with a parish and this is different from his prior requests. The purpose of his Appeal is to grow the leadership of the Diocese, such as, expanding the College of Congregational Development, nurturing the Diocesan Deaf Ministry, growing faith formation for children, youth, and adults, and towards Prince's discretionary fund. The Appeal develops a new revenue stream that enables us to grow and sustain these programs for the future, without reversing the work we've done to reduce apportionment and draws from the endowment. So, on June 9<sup>th</sup> there will be special Annual Appeal envelope's available for everyone to make a donation during the Offertory.

Blessings,  
Rev. Jimmie Sue

## SERVICE MINISTRY UPDATE

The last several months have been very busy with a variety of Service Ministry projects. In April, Epiphany provided 10 Easter Food baskets to the Gates Police Department so they could be distributed to Gates residents in need of a food and grocery gift card so they could provide a meal for their family on Easter. The Gates Police Department is hoping that a member of Epiphany can join them next year when they distribute the baskets. We also had our annual fiber ministry collection during Lent. We got a lot of beautiful, creative fiber projects that are going to be distributed to many service groups. Please review Birdie Ames' article about specifics of this project.

The May Service ministry project was coordinated by the J2A class. We had an amazing collection of pet food that will be distributed to many of the clients that are involved with the Meals on Wheel program. Many of the clients in this program, have pets but not enough funds to buy pet food for their animals. The donated pet food will help provide nutrition to many of the family pets of individuals that are receiving lunches from the Meals on Wheel program. I'm also happy to say that many of the lap blankets, scarfs and hats made in our recent Fiber Ministry collections will also be helping many of the clients of this program.

The June Service Ministry project will be another volunteer work session at the Foodlink warehouse. We are looking for 10 volunteers to sign-up on Tuesday, June 18<sup>th</sup> from 6-8 pm. The sign-up sheet is in the main hallway. There are several changes to the sign-up process which include an e-mail registration form process.

Please remember to include your e-mail address when you sign -up so that you can receive the registration forms by e-mail from Foodlink. Volunteers can be adults and children older than 8 years but youth 8-18 year will need a parental permission form filled out to participate. Please dress for work in a warehouse including closed toe shoes.

SWEM Community Services will again host a fund-raising SWEM Stroll walk on June 2<sup>nd</sup>. SWEM serve southwest neighborhoods in the city, as well as, Scotttsville, Gates, Churchville, Chili and part of Spencerport. Please refer to the Service Ministry bulletin board for ways that you can participate including walking in the event, raising funds for the walk or making donations. On Sunday June 2<sup>nd</sup>, the good will offering during the 8 and 10 am church collection will go to SWEM Community Services.

Our next Service Ministry meeting is on Saturday, June 8<sup>th</sup> at 10 am. Please feel free to contact me if you would like to join the Ministry team or have any ideas for new Service Ministry projects.

The Service Ministry team (Birdie Ames, Amy Deppe, Diane and Mike Moffatt, Nancy Mancini and Marsha Pulhamus) would like to thank the parishioners for the generous donations of food ( human and pet), monies and time to create so many beautiful fiber ministry projects. Our successful service projects are because of the support of our parishioners.

## FIBER MINISTRY THANK YOU

The Service Ministry sets challenges before the parish monthly and the parish family steps up to help. The Lenten Fiber Project of 40 Items For 40 Days was once again a mind boggling success. The goal was surpassed and the beauty

of the variety of projects was unbelievable. These items will be shared to bring warmth and joy to their recipients. A sincere Thank You to all the wonderful servants who donated their time and talents to aid others. God Bless you one and all!

Spruce Up Day - Saturday, May 25..

We all got there fairly early to beat the storms....  
The kitchen fridge was cleaned  
The classroom windows were washed  
Two trees were cut down and hauled to the road  
Property was rolled, mowed, weed-wacked  
Memorial Garden was trimmed & weeded & mulched  
Then the storms hit...  
A few of us got drenched from the rain, but worth it.  
The results look spectacular. !!

Brownies can be divided into smaller servings or brought in a full pan ready to go! The full pans of brownies and pies are a real hit!!! **Please have them to church by 3 pm on the 13th.**

If you are not a baker we hope you pick up dessert along with your chicken dinners! Any questions please contact Sue Greenauer or any member of the welcome invitation group.
