### SUNDAY WORSHIP

*9:30 & 11:00 a.m.*

As we are almost 6 months into the Covid 19 Pandemic. I can only say I hope everyone is being safe. It is hard to think of everything we have missed over the past 6 months. We have missed, In person Sunday service, Church school, regular school, work, socializing, weddings, funerals, vacations and traveling.

In our new normal, we are learning to do things differently than the past. We are using technology more. We can hold Sunday service, Church school, regular school, and work from home. We can even socialize, even if it is at a distance.

Even though we are not quite back to having weddings and funerals, we can still be happy, and we can still grieve. We are a strong community, and we will get through this difficult time.

As we start to slowly come back, with our outdoor service and our planning for In Door service, we need to have **FAITH**. Things are getting better. We don't have to rush into anything. We will need time to figure out some things. We have some guidelines to follow, but we are not like every other church. We need to do things that will bring Epiphany back to the church we can be safe in. We are getting there. We just need to be patient and things will work out.

FROM THE

RECTOR

### From the Rector – Re-Gathering Information

Dear Parish,  
I am grateful for each one of you and for how well you have all stayed connected to each other and to the parish through worship, digital coffee time, formation opportunities, and outreach opportunities. I want to thank everyone who has made our worship services feel warm and welcoming as we navigate into how we do worship now ☺ Worship is worship because together we show our love for God and community, and this takes all of us showing up every Sunday either via Zoom or in-person.

Seeing how things look in the near future we will continue to live into our societal normal of facemasks, physical distancing, and lots of hand washing. We do these things to keep one another safe. Jesus reminds us to remember to live as a communal society and not get stuck in individual mode.

And I know people are tired of doing “things” the COVID way. I know people want “things” how they were. But,

it won't be how it was even when eventually the scientists figure out a solution or at least the “this is the new norms.”

This also means we will have a new “normals” for worshipping together for quite some time. With that said, Epiphany will resume Indoor Worship September 13<sup>th</sup>, Kick-off Sunday ☺ This year I will bless laptops instead of backpacks, but for those coming to Indoor Worship, bring a picture of your laptop and I will offer a blessing. We will commission our Church school teachers, and bless our parents and community school teachers. However, Indoor Worship will be much like our Outdoor Worship service. A video is ready, you can view it from Facebook or our YouTube Channel: <https://youtu.be/1qWLmIMOoal>.

We will continue to hold Zoom Worship services for those who for any reason feel it is safer or more comfortable for them to stay home. I want to continue to be very clear – it is absolutely okay to stay home, I understand that there are very real concerns about coming into close proximity to others.

My utmost concern is creating safe worship services where we can all feel at ease. And this means we won't always be doing what other parishes in the Diocese are doing. Every parish is doing communion differently, every parish is coming together in-person differently, every parish is using technology differently. Myself, the Wardens, and the Vestry are doing our best to keep the parish safe and do what works for us.

We will continue to use Signup Genius for parishioners to sign up for the allowed number of individuals per in-person service. Along with more changes that come from going from outside to inside.

Lastly, I know that our parents, grandparents, and teachers are all working hard to make the 2020-2021 school year a success while keeping everyone healthy and safe – you have my prayers. Many new roles and expertise will continue to grow this Fall. You can do this!

P.S. Don't forget to get your flu shot ☺

Blessings,  
Rev. Jimmie Sue

## **Save the Date – September 13th**

A lot is happening this Sunday! We have our kick-off Sunday with Blessing of Laptops, Blessings for Teachers and Students, and our Church School Teacher Commissioning. Please watch the “What to Expect at Indoor Worship” video on Facebook or our YouTube Channel: <https://youtu.be/1qWLmIM0oal>. **And this will be our first service inside since March 15<sup>th</sup>** ☺

### **Sunday Services at 9:30am on Zoom**

We will continue to hold Zoom Worship Services for as long as we have parishioners who wish to attend services via Zoom. Here is our Sunday Service Zoom link, you will use this link every Sunday:  
<https://zoom.us/j/194833778?pwd=emtUSFVDYkZGdDF4T3U0LOtxMHNDUT09>

If you use your phone to join a Zoom meeting then you have to enter the Meeting ID AND the Password number (Meeting ID: 194 833 778 Password: 026770).

### **Sunday Services at 11:00am – INSIDE the CHURCH**

Starting Sunday, September 13<sup>th</sup> we will have our first indoor worship service ☺ Some things will be the same and some things will be different. We will have to wear our facemasks inside the building and maintain 6 feet of physical distancing, and some parts of the parish will still not be available for use. Communion will be different from Outdoor Worship.

More details will be available in our “What to Expect on Sunday – Indoor Worship” video which will be posted on Facebook and the parish’s YouTube Channel as soon as it is completed.

We will still need to meet all guidelines for physical distancing, and we will still need to check on Facebook for the Signup Genius link for each Sunday Worship Service. The Sanctuary can only accommodate 28 individuals, but knowing that some folks will come as family units we will maintain the 33 available spaces to sign up for.

Peace,  
Rev. Jimmie Sue

### **Next Small Groups Meeting** **September 9th at 7pm**

Small Groups are back ☺ Our Small Group meetings will start at 7pm on Wednesday, September 9th. Each group will have 45 minutes together. I will be creating Breakout Rooms at the start of the meeting, so please be patient with me as I do this. At the end of the 45

minutes everyone will rejoin the “Main Room” and this will be a time to ask questions. I will also try to “pop” into each Breakout room but this will be my second time using our Breakout room capabilities.

These are our Small Groups: Adult Formation, Children & Youth, Welcome, Social Media, Liturgy & Music.

Our focus for our Small Groups is to try to think of 1 Zoom activity for possibly September but also for October and/or November ☺

## **Small Groups – Meeting Minutes from July 19th**

Thank you to everyone for attending our Small Groups!! And thank you for all your great ideas!

### **Adult Formation:**

Social distancing ideas for the near future:

- Drive In Movie in Avon (Nancy) – everyone in their own cars, paying their own way per car/person
- Zoom Game Night (Kathie) – look into online games where you can Zoom with a small group
- Zoom Bingo (Cassie) - email to blank bingo cards to fill out prior to playing and use a bingo app to call the numbers out
- Pot luck picnic at Charlotte (Steve), lots of pavilions there, bring own chairs, nothing to reserve, folks can use beach if they want, walk on pier, get a cone from Abbott's, etc.

### **Children & Youth:**

Youth: Picnic & Scavenger Hunt

YAC: Pilgrimage canceled for this year; telephone YAC families about possible movie night with youth

Sunday School:

- a. Zoom Sunday School to restart in September. Continue 1 class (pre-school – 3<sup>rd</sup> grade) since doing remotely. Unclear how long will need to do by zoom and when can start class in church again.
- b. Order curriculum for the fall and include older activity packets for the 3<sup>rd</sup> graders.

c. Discussion about extending meeting some to up to 1 hour, use of puppets to tell story and help with student participation.

d. YAC class- Call families to see if interesting in offering monthly class to older youth.

### **Liturgy & Music:**

- If organist not able to join us, looking into MIDI recordings for the organ; connecting a laptop to the sound system; digital music for businesses/churches.

### **Welcome:**

We talked about our Bring a friend to church on Oct 18 and decided to keep it on the calendar for now. Will see how things look in the coming months. Margaret is going to look into Painting on wood for Dec. This depends on if companies are willing to come to church and if we can have it in church.

### **Social Media:**

- YouTube videos are being created to ensure safe outdoor and indoor worship. They will help parishioners know what to expect.
- Survey went out to gauge interest in gathering at church, in addition to keeping the Zoom service.
- We are open to feedback about Sign-Up Genius. If parishioners have any questions or problems, Jimmie Sue or Emily can also sign them up.
- Continue to post Zoom services on YouTube/Facebook.
- Consider posting pictures of outdoor worship once we have a few Sundays of practice. This will allow people to see we are safely regathering.
- Focus on using social media for giving information, at this time.
- Once other groups start activities we can post more social pictures and events.

SHARING

**Did you know? It's absolutely okay to share the Zoom links with friends**

I encourage you to share our Sunday Worship Zoom links with friends and family – everyone is welcome to worship with us even by Zoom ☺ It is absolutely okay to share any formation or fellowship event we're having

via Zoom with others too ☺ And Sunday bulletins can be found on our parish Website at: <http://epiphany-gatesny.org/worship/morning-prayer-bulletins-and-announcements/>

## **September Book Discussion**

I believe it is important for us as a parish in following the ways of Jesus to have

hard conversations. Hard conversations where we have open, honest, respectful conversation helps us grow as people. I believe for us to better understand what is happening in our country and in our city and in our towns we need to learn and keep learning if we want to be advocates of change.

Book Discussions are on Thursdays at 7pm via Zoom (the link is below). The dates are: 9/3, 9/10, 9/17, 9/24. Please have read the Introduction and Chapters 1-3 of the book for Thursday, September 3rd.

Our next book in the journey is *White Fragility*.

“Thoughtful, instructive, and comprehensive...This slim book is impressive in its scope and complexity; DiAngelo provides a powerful lens for examining, and practical tools for grappling with, racism today.”

-*Publishers Weekly*, Starred Review

“A valuable guide...While especially helpful for those new to the critical analysis of whiteness, this work also offers a useful refresher to anyone committed to the ongoing process of self-assessment and anti-oppression work.” -*Library Journal*

## **Organist Update**

We wanted to share that Gail Hyde has graciously agreed to be our organist for when we are able to resume Indoor Worship. I am very thankful to Gail for being with us as we navigate music with worship, and continue to seek a permanent organist.

## **Annual Giving/Stewardship**

Sunday, September 13th starts the beginning of our Annual Stewardship program for 2021! We have had quite a 2020 so far, and together we continue to care and support one another as we continue to navigate requirements for staying and being safe during COVID-19.

We are a blessed community with much to be grateful for and I want to thank you each of you for all the support you give to Epiphany! And to say thank you for rolling with all of the constant changes ☺

Epiphany needs your continued support, and I invite you to prayerfully consider your pledge contribution for 2021. Sunday, October 4th is Commitment Sunday and we will have two services, one via Zoom and one in-person.

## **Meditation Anyone?**

I am wondering if there is interest in doing up to 20 minute guided meditations with short conversation afterwards a few Wednesday afternoons at 12pm in September via Zoom. If there is at least 3 folks interested this would start Wednesday, September 16<sup>th</sup>. Please email me at [coerektor1@frontier.com](mailto:coerektor1@frontier.com) if you are interested.

## **Thank You to...**

I would like to personally thank *Steve Entress* for all the hard work he put in to make our Memorial Garden and side gardens look beautiful! Steve, weeded and mulched each garden.

Thank you to *Mike Grasso* for making our Free Books sign!

Thank you to *Birdie Ames, Ann Pillman, Marsha Pulhamus, and Lisa Durkins* for making facemasks for parishioners who are in need of reusable masks!

Thank you to *Dave and Dan Pulhamus* for fixing our Entrance sign!

Thank you to *Amy Deppe* for all the help she provides every Sunday to support our Zoom and Outdoor Services!

Thank you to *Kelly Jo and Bo* for all their hard work in support of the parish!

## **United Thank Offering (UTO)**

Normally, we would place UTO Boxes out for the parish, but this year we will need to do this differently. Please do have a “thank you” box at home. But instead of dropping off the boxes I ask that *you write a check to Epiphany with UTO in the Memo line*. The Treasurer will then write one check on behalf of the parish to be sent to the Diocese ready for Diocesan Convention in October.

United Thank Offering is entrusted to promote thank offerings, to receive the offerings, and to distribute the UTO monies to support mission and ministry throughout The Episcopal Church and in invited Provinces of the Anglican Communion in the developing world. This year the Diocese is applying for a UTO grant in support of Pastoral Care Training for parishes.

## **St. Francis Sunday**

On Sunday, September 27<sup>th</sup> we will celebrate the feast of St. Francis to honor all God’s creatures and creation. Children and Adults are invited to bring their favorite stuffed animals to get a blessing during our Zoom Service and In-person Service.

## **Property Meeting via Zoom**

The Property Team will have a meet via Zoom at 12:30pm on September 20<sup>th</sup> to see what projects we have for the upcoming Fall season.

## September Service Ministry Update

Our Fiber Ministry Project has finally drawn to the end with 62 knitted, crocheted or sewn items. The items included hats, scarfs, prayer shawls and blankets. We have already given fleece blankets to Janna Deppe, John and Drew Bagley who are our 3 graduating senior this year. The Service Ministry team will need to meet to decide where to distribute the remaining items. If anyone has suggestions where to donate items, please tell one of the members of the Service Ministry team. A big thank you to everyone in the parish that contributed their time and talent to the fiber ministry project.

The Hope Hall collection ended as of August 23rd. You can see in the picture the items collected to help protect students against coronavirus and other illnesses. We collected individual Kleenex packets and sanitizing gels which can be put in each student's desk for their use. We also collected a total of \$160 from our free will collection and the Rector's discretionary fund to be used in Hope Hall's Technology fund to help pay for additional tablets and laptops for the students. Thank you for your generous donations to help the students at Hope Hall stay healthy this school year.

Our upcoming projects this fall will include a collection for Fostering Hope this September. The Fostering Hope project collects needed items for children entering Foster Care and places these items in a backpack which they receive when they enter their new foster home. The back packs are individualized for each age groups from infancy through adolescence. The collection will take place from September 13th-October 4th. Suggested items include inexpensive back packs (Five Below, Walmart), children and infant socks, baby blankets, hair brushes, shampoo- infant, children and teen, pacifiers, pens, markers, journals, marble notebooks and toothbrush holders. A more extensive list will come out in the announcement in early September.

Our October project will be collecting items needed for the children cared for in Pediatric Emergency room at the Golisano Children's hospital. Needed items to make sure the children have warm and dry clothing include inexpensive pajamas and unisex sweat pants from size 3T to men's small. The emergency room is also requesting Grab and Go Activity packs to help occupy the children during their stay. More specifics will be coming in October.

The Service Ministry team is grateful for the generosity of the parishioners of Epiphany to help others in need. Please feel free to contact any of the service ministry members if you have any ideas for futures projects. The service ministry team includes:

Amy Deppe, Nancy Mancini, Birdie Ames, Diane and Mike Moffatt and Marsha Pulhamus.

### Church School

Church school this year will be starting out with Zoom meetings. We will not be having Church school in person, until we can be sure it is safe to do so.

Marsha Pulhamus, Gladys VanBrederode and I will be holding the Zoom classes for the kids. We had success with Zoom from March thru June, so we think this will work well until we can meet in person again.

We will be sending an e-mail, with info on the class time, to the parents and kids.

Thanks,  
Don Metzinger, Youth Coordinator

### Our lending library book bench has arrived!

Thank you Jonathan who is working on his Eagle Scout project!

We have some books in it and veggies to share 😊  
:) The books and veggies are free for anyone to have 😊

## Garden Magic

*This is the garden's magic,  
That through the sunny hours  
The gardener who tends it, Himself outgrows  
his flowers.*

*He grows by gift of patience,  
Since he who sows must know  
That only in the Lord's good time  
Does any seedling grow.*

*He learns from buds unfolding,  
From each tight leaf unfurled,  
That his own heart, expanding,  
Is one with all the world.*

*He bares his head to sunshine,  
His bending back a sign  
Of grace, and ev'ry shower becomes  
His sacramental wine.*

*And when at last his labors  
Bring forth the very stuff  
And substance of all beauty  
This is reward enough.*
